Authors for Families to Read Together

Roald Dahl
 Ann Cameron
 Paula Danziger
 Charlotte Herman
 Margaret Davidson
 Beverly Cleary
 Kate DiCamillo
 Brian Selznick
 Jeff Kinney

The Importance of Summer Reading

Research shows that children who don't read over the summer, especially young students and struggling readers, can lose up to three months of learning in just one summer.

There are easy steps to take to avoid summer regression in literacy. Reading just a few books this summer, visiting the local library, and insisting that children make time for reading can curb the summer slide.
