Kevin Gilbert was a HCRHS senior, who died March 12, 2011, when his car veered off the road while on his way to an early morning baseball practice. Kevin's dream was to

become a MLB player. His unselfish passion for life, and others, was shown on and off the field numerous times.

The stories of his kindness are inspirational. He was, and will forever be,

Our Angel in the Outfield!!

This Scholarship is available to any graduating HCRHS senior. It is not limited to athletes, but for any person that has a passion, and a dream, and has a positive effect on others, through kindness and respect.
