

Whitehouse School

May 2025

Dear Parents/Guardians of Third Graders,

Wow! Your children will soon be completing the final chapter of their Whitehouse School career. We are planning on making a special commemorative video for your child's third grade graduating class. It is our goal to have the video ready by the time we celebrate your child on June 11 during our annual *Grade 3 Send-Off*. Afterward, we will make the video link available to you.

In order to properly organize the video, we need you to sign the release form below stating that you give your permission for your child to be included in the video.

Thank you for your cooperation. We know that this will be a great moment to look back on as your child continues on his/her educational journey. We certainly want our *Cubs of Character* to have something that they can treasure forever, reminding them of their Whitehouse School experiences!

Warmly,

Dr. DeRosa
