Grit: steadfastness in completing a task despite difficulty or delay in achieving success; perseverance; not giving up until the job is finished.

I am a *bucket filler* and I demonstrate good character when I have grit. Some examples of how I can show grit include:

- I set goals and work hard to reach them.
- I persevere in order to succeed in meeting my goals, even if it becomes difficult.
- When I make a commitment, I do my best to follow through until the end.
- I finish what I start.
- I do not give up, especially when I am frustrated.
- I learn from my mistakes.
- I try again, and again, and again...
