Caring: efforts that are taken in order to do something correctly, safely, or without causing damage; things that are done to keep someone healthy; acting in a way to make someone happy; things that are done to keep something in good condition.

I am a *bucket filler* and I demonstrate good character when I care. Some examples of how I can show that I am caring include:

- I ask someone who looks sad or frustrated if I can help in any way.
- I am a good friend and listener.
- I write my friend a note or *bucket ticket* when he/she is sick.
- I always think about how others feel and treat them how I would want to be treated.
- I show compassion for the Earth and environment by not littering.
