

Hello!

My name is Miss Parkhurst, and I am VERY excited to be your first grade teacher! This will be my sixth year teaching first grade, and I know we are going to have a lot of fun together! A little bit about me; my favorite activity to do in the summer is sit in the pool and read. My favorite book to read is, "The Pigeon Finds a Hot Dog!" by Mo Willems. I hope you like to read, too!

We are going to grow so much in first grade! This year we will work together to read and write (small moment stories, non-fiction, getting to know characters). First grade math will turn us into wonderful mathematicians! In science and social studies we will become investigators who ask questions about the world around us.

I hope you have a great summer! See you in September!

Love,  
Miss Parkhurst
