For members of the Readington Township School District Community who may be joining a Meeting for the first time or would like to provide comments tonight, we’re sharing the Board Policy pertaining to public comments. Thank you in advance for sharing your thoughts as per the District’s Policy.

0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public comment at every regularly scheduled meeting of the Board. Public participation shall be governed by the following rules:

1. All statements shall be directed to the presiding officer. No participant may address or question Board members individually unless directed by the presiding officer.
2. A participant must be recognized by the presiding officer and must preface comments by an announcement of his/her name, place of residence, and group affiliation, if appropriate; Web participants will type the information in as a preface to their comments.
3. If the Board of Education is webcasting the public meeting, the “chat” feature will be on during the public comment sessions only.

4. No participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard and time permits.

5. In order to provide sufficient opportunity for the public to be heard, a time limit of three minutes for each participant may be observed. Webcast participants making comments via chat may only enter one 256 character comment, excluding the announcement of his/her name and place of residence, unless the presiding officer asks for clarification or further information. The President may, at his/her discretion, limit discussion on any topic. The portion of the meeting during which the public is invited shall be limited to sixty minutes.

- 3.06 Motion to approve the following resolution:

WHEREAS, municipalities can negotiate with developers and extend the use of Payment in Lieu of Taxes (hereinafter referred to as "PILOT") for projects within their township boundaries; and

WHEREAS, developers offered a PILOT program at essence will pay less property taxes which is the funding source for local and regional school districts, therefore experiencing tax relief; and

WHEREAS, in a PILOT program the municipality shall receive approximately ninety-five (95) percent of the revenue and the county government shall receive approximately five (5) percent of the revenue; and

WHEREAS, the burden to collect taxes for local and regional school districts would remain with existing residential and corporate taxpayers due to tax break provided to the developer, as the developer only pays taxes on land and not property improvements; and

WHEREAS, the taxes collected by a township for municipalities purposes could be kept arbitrarily low given additional source of revenue directly

benefiting the township, thereby skewing local tax levy increases unfavorably to school districts; and

WHEREAS, the potential influx of new residents with children shall directly affect the school district; and

WHEREAS, the Township of Readington has entered into PILOT programs with developers and may continue to enter into PILOT programs with developers;

NOW, THEREFORE, BE IT RESOLVED, the Readington Township School District shall request to be included in dialogue relating to PILOT programs with developers to ease the burden associated with school tax levy needs and provide the necessary and mandated education to future students enrolled in the district, requesting a fair and appropriate portion of revenue proceeds to offset the district’s needs; and furthermore

WHEREAS, the New Jersey School Boards Association (hereinafter referred to as “NJSBA”) is a federation of boards of education whose mission, in part, is to promote the interests of such boards before legislative, administrative, and policy-making bodies;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby expresses its position that the New Jersey PILOT program as currently structured is greatly detrimental to local boards of education, reducing their revenues while often increasing their expenses. The Board urges the NJSBA to take action aimed to improve this condition for boards statewide, including advocating for legislative remedies that would reconfigure the revenue-sharing provisions of the PILOT laws and ensure school districts can participate in the economic benefits of a PILOT agreement.
