\*The two days allocated for emergency closings have been designated as makeup days for the January 4 and January 17 snow days. A third emergency closing occurred on February 7, and the school year has been extended by one day (June 21) as a makeup day. Three additional emergency closings occurred on March 7&8&21; an additional day (June 22) has been added to the end of the school year. The school year has been shortened by one day, making the school year 180 days, the minimum number of days required by New Jersey. Spring break has been shortened by one day; school will be in session on Friday, April 6. If additional days are required, the calendar will be reviewed and additional days reinstituted during spring break or at the end of the school year. School personnel and students will be expected to attend on contingency days.

BOARD APPROVED: March \_\_, 2018. The Board of Education reserves the right to amend this calendar.
