2270 RELIGION IN THE SCHOOLS

The Board of Education recognizes that religious belief and disbelief are matters of personal conviction rather than governmental authority and the students of this district are protected by the First Amendment of the United States Constitution and by Article I, Paragraph 4 of the New Jersey State Constitution from the establishment of religion in the schools. The First Amendment requires public school officials to show neither favoritism toward nor hostility against religious expression such as prayer.

As a condition of receiving Elementary and Secondary Education Act of 1965 (ESEA) funds, the Board of Education must annually certify in writing to the New Jersey Department of Education that no Board policy prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary and secondary schools, as detailed in tThe United States Department of Education's Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools (USDOE Guidance). The Board must provide this certification to the New Jersey Department of Education by October 1 of each year during which the Board participates in an ESEA program. The USDOE Guidance provides information on the current state of the law concerning constitutionally protected prayer and religious expression in public elementary and secondary schools.

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular **public school** contexts related to **prayer: prayer and religious exercise** during non-instructional time; organized prayer groups and activities; teachers, administrators, and other school employees' activities; moments of silence; accommodations of ~~for~~ **prayer and religious exercise** during instructional time; ~~prayer in classroom assignments;~~ student assemblies and noncurricular events; prayer at graduation; and/or baccalaureate ceremonies.

The following activities as outlined in the USDOE Guidance will be permitted upon applying ~~the governing~~ constitutional principles **regarding religious expression other than prayer in particular public school contexts in particular**

~~contexts related to religious expression:~~ religious literature; teaching about religion; student dress codes and policies; **religious expression in class assignments and homework;** and/or ~~religious~~ excusals **for religious activities.**

Religion in the Schools

In addition to the constitutional principles outlined in this Policy and the USDOE Guidance, public schools may also be subject to requirements under Federal and State laws relevant to prayer and religious expression. Such Federal and State laws may not; however, obviate or conflict with a public school's Federal constitutional obligations described in the USDOE Guidance. The Equal Access Act, 20 U.S.C. Section 4071, is designed to ensure that student religious activities are **accorded** ~~afforded~~ the same access to Federally funded public secondary school facilities as are student secular activities.

The United States Department of Justice has developed guidance for interpreting the Equal Access Act's requirements outlined in the USDOE Guidance in the area of general provisions, prayer service and worship exercises, means of publicized meetings, lunch-time and recess, and leadership of religious student groups.

Any issues regarding **prayer and religious expression** ~~religion~~ in the schools, **the USDOE Guidance**, and the provisions of this Policy shall be referred to the Superintendent of Schools who may consult with the Board Attorney.

Pursuant to 7 CFR 245.6(c)(7), if the district receives an incomplete school meals application or a school meals application that does not meet the eligibility criteria for free or reduced priced benefits, the school meals application must be denied. The district shall document and retain the denied school meals application and reasons for ineligibility for three years in accordance with 7 CFR 245.6(e).

In accordance with 7 CFR 245.6(c)(7), parents of students who are denied benefits must receive prompt, written notification of their denial. The notification may be provided by mail or e-mail to the individual who signed the school meals application. Posting the denial on the "notification" page of an online system does not meet this requirement. Likewise, informing the parent of denial via telephone does not meet this requirement. If the district uses an automated telephone information system to notify parents of denied benefits, the district must also provide the parents with written notification of the denial. The notification must provide the: reason for denial of benefits; right to appeal; instructions on

how to appeal; and ability to reapply for free and reduced price benefits at any time during the school year.

In accordance with 7 CFR 245.6(e), the district shall record the eligibility determination and notification in an easily referenced format. The record shall include the: denial date; reason for denial; date the denial notice was sent; and signature or initials of the determining official (may be electronic, where applicable).

Any parents of students who have benefits that are to be reduced or terminated must be given ten calendar days' written notice of the change prior to the date the change will go into effect pursuant to 7 CFR 245.6a(j). The first day of the advance notice period shall be the day the notice is sent. The notice of adverse action may be sent via mail or to the e-mail address of the parent. The district cannot notify the household of adverse action by phone only.

Pursuant to 7 CFR 245.6a(j), the notice of adverse action must advise the parents of: change in benefits; reasons for the change; an appeal must be filed within the ten calendar days advance notice period to ensure continued benefits while awaiting a hearing and decision; instructions on how to appeal; and the parents may reapply for benefits at any time during the school year.

If the district participates in any National School Lunch Program, School Breakfast Program, or provides free milk under the Special Milk Program, the district shall submit to the New Jersey Department of Agriculture a free and reduced price policy statement pursuant to 7 CFR 245.10.

In accordance with 7 CFR 245.1(b), the district shall avoid any policy or practice leading to the overt identification of students receiving free or reduced price meal benefits. Overt identification is any action that may result in a child being recognized as potentially eligible for or certified for free or reduced price school meals. Unauthorized disclosure or overt identification of students receiving free and reduced price meal benefits is prohibited. The district shall ensure that a child's eligibility status is not disclosed at any point in the process of providing free and reduced price meals, including: notification of the availability of free and reduced price benefits; certification and notification of eligibility; provision of meals in

POLICY GUIDE

the cafeteria; and the point of service. In addition, the district shall ensure students who receive free and reduced price benefits are not overtly identified when they are provided additional services under programs or activities available to low-income students based on their eligibility for free and reduced price meals.

Pursuant to 7 CFR 245.2, disclosure means revealing or using individual student's program eligibility information obtained through the free and reduced price meal or free milk eligibility process for a purpose other than the purpose for which the information was obtained. Disclosure includes, but is not limited to, access, release, or transfer of personal data about students by means of print, tape, microfilm, microfiche, electronic communication, or any other means. It includes eligibility information obtained through the school meals application or through direct certification.

If the district accepts both cash and electronic payments, the district shall ensure students are not overtly identified through the method of payment pursuant to 7 CFR 245.8(b). To the maximum extent practicable, the district must ensure the sale of non-program foods and the method of payment for non-program foods do not inadvertently result in students being identified by their peers as receiving free and reduced price benefits.

The School Business Administrator/Board Secretary or designee will verify applications of those eligible for free or reduced price meals in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

POLICY GUIDE

- X The Board of Education provides a meal charge program to permit unsubsidized students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

“Unsubsidized student” means a student who is neither categorically eligible nor income-eligible for free or reduced price school meals, and who is, consequently, required to pay for any such meals that are served to the student under the National School Lunch Program or the Federal School Breakfast Program.

The Board of Education recognizes a student may not have breakfast or lunch (meal), as applicable, or money to purchase a meal at school on a school day causing the student’s meal charge account to fall into arrears. The district shall contact the student’s parent to provide notice of the arrearage and shall provide the parent with a period of ten school days to pay the amount due. If the student’s parent has not made full payment by the end of the designated ten school day period, then the district shall again contact the student’s parent to provide notice of any action to be taken by the school district in response to the arrearage.

A parent who has received a second notice their child’s meal bill is in arrears and who has not made payment in full within one week from the date of the second notice may be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent’s refusal to meet with the Principal or designee or take other steps to resolve the matter may be indicative of more serious issues in the family or household. However, when a parent’s routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child neglect,

the Principal or designee shall immediately report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent’s meeting with the Principal or designee.

A school district shall report at least biannually to the New Jersey Department of Agriculture the number of students who are denied school

breakfast or school lunch in accordance with N.J.S.A. 18A:33-21.a.(2) and this Policy.

Nothing in N.J.S.A. 18A:33-21 or this Policy shall be construed to require the district to deny or restrict the ability of an unsubsidized student to access school breakfast or school lunch when the student's school breakfast or school lunch bill is in arrears.

The school or school district shall not:

1. Publicly identify or stigmatize an unsubsidized student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears. (For example, by requiring the student to sit at a separate table or by requiring that the student wear a wristband, hand stamp, or identifying mark, or by serving the student an alternative meal);
2. Require an unsubsidized student, who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears to do chores or other work to pay for the school breakfast or school lunch;
3. Require an unsubsidized student to discard a school breakfast or school lunch after it has been served because of the student's inability to pay for a school breakfast or school lunch or because money is owed for previously provided meals;

graduation events, solely because of the student's unresolved meal debt; or

5. Require the parent of an unsubsidized student to pay fees or costs in excess of the actual amounts owed for meals previously served to the student.

If an unsubsidized student owes money for the equivalent of five or more school meals, the Principal or designee shall:

1. Determine whether the student is categorically eligible or income-eligible for free or reduced price meals, by conducting a review of all available records related to the student, and by making at least two attempts, not including the initial attempt made pursuant to N.J.S.A. 18A:33-21.c.(2), to contact the student's parent and have the parent fill out a school meals application; and
2. Contact the parent of the unsubsidized student to offer assistance with respect to the completion of the school meals application; and to determine if there are other issues in the household that have caused the student to have insufficient funds to purchase a school breakfast or school lunch; and to offer any other appropriate assistance.

The school district shall direct communications about a student's school breakfast or school lunch bill being in arrears to the parent and not to the student. Nothing in N.J.S.A. 18A:33-21 shall prohibit the school district from sending a student home with a letter addressed to a parent.

Notwithstanding the provisions of N.J.S.A. 18A:33-21 and the provisions of any other law, rule, or regulation to the contrary, an unsubsidized student shall not be denied access to a school meal, regardless of the student's ability to pay or the status of the student's meal arrearages, during any period of time in which the school is making a determination, pursuant to N.J.S.A. 18A:33-21.c., as to whether the student is eligible for, and can be certified to receive, free or reduced price meals.

POLICY GUIDE

If the student's meal bill is in arrears, but the student has the money to purchase a meal on a subsequent school day, the student will be provided a meal with payment and the food service program will not use the student's payment to repay previously unpaid charges if the student intended to use the money to purchase that school day's meal.

Students receiving free meals will not be denied a meal even if they accrued a negative balance from other purchases in the cafeteria.

The school district may post this Policy on the school district's website provided there is a method in place to ensure this Policy reaches all households without access to a computer or the Internet.]

F. Provision of Meals to Homeless Children – N.J.S.A. 18A:33-21c.

The district's liaison for the education of homeless children shall coordinate with district personnel to ensure that a homeless student receives free school meals and is monitored according to district policies pursuant to N.J.S.A. 18A:33-21c.

G. Provision of School Meals During Period of School Closure – N.J.S.A. 18A:33-27.2

In the event the Board is provided a written directive, by either the New Jersey Department of Health or the health officer of the jurisdiction, to institute a public health-related closure ~~due to the COVID-19 epidemic~~, the district shall implement a program, during the period of the school closure, to provide school meals, at meal distribution sites designated pursuant to N.J.S.A. 18A:33-27.2.b., to all students enrolled in the district who are either categorically eligible or income-eligible for free or reduced price school meals.

In the event of an emergency closure, as described in N.J.S.A. 18A:33-27.2.a., the district shall identify one or more school meal distribution sites that are walkable and easily accessible to students in the district. The district shall collaborate with county and municipal government officials in identifying appropriate sites. A school meals distribution site may include, but need not be limited to: faith-based locations; community centers, such as YMCAs; and locations in the

district where meals are made available through a summer meals program. In a district that includes high density housing, the district shall make every effort to identify a school meal distribution site in that housing area.

The district shall identify students enrolled in the district who are categorically eligible or income-eligible for free or reduced price meals, and for whom a school meal distribution site, identified pursuant to N.J.S.A. 18A:33-27.2.b., is not within walking distance. In the case of these students, the district shall distribute the school meals to the student's residence or to the student's bus stop along an established bus route, provided that the student or the student's parent is present at the bus stop for the distribution. Food distributed pursuant to N.J.S.A. 18A:33-27.2.c. may include up to a total of three school days' worth of food per delivery.

The district may use school buses owned and operated by the district to distribute school meals pursuant to N.J.S.A. 18A:33-27.2. If the district does not own and operate its own buses, the district may contract for the distribution of school meals, and these contracts shall not be subject to the public bidding requirements established pursuant to the "Public School Contracts Law," N.J.S.A. 18A:18A-1 et seq.

The district shall collaborate, as feasible, with other districts and with local government units to implement the emergency meals distribution program, as required by N.J.S.A. 18A:33-27.2, in order to promote administrative and operational efficiencies and cost savings.

School lunches and breakfasts that are made available, through an emergency meals distribution program operating pursuant to N.J.S.A. 18A:33-27.2, shall be provided to eligible students, free of charge, in accordance with the provisions of N.J.S.A. 18A:33-4.a. and N.J.S.A. 18A:33-14a.
