Re: Student Accident Insurance Renewal

Dear Ms. Decasas:

It's time to renew your Student Accident Insurance coverage for the 2013-2014 school year.

Once again, we feel that our plan offers the richest benefits, the highest maximums, and the longest benefit periods available in New Jersey. Also, our exclusive relationship with CHN, the largest independent Preferred Provider Network in the state, has enabled us to maintain relative rate stability, in spite of continuing medical inflation. Furthermore, our plan is underwritten by Monumental Life Insurance Company which is rated A+ (Superior, second out of 16 ratings) for financial strength by A.M. Best Company as of 4/13/2012. It is for these reasons that our program continues to be used by more New Jersey schools than any other student insurance plan available.

We have enclosed a renewal proposal and brochure for your school district.

To renew this coverage, just sign the proposal and send it back as soon as possible. We will then prepare to send out the necessary supplies at the appropriate time for your district.

If you have any questions, just give me a call at 1-800-350-8005 Ext. 8094.

Sincerely,

Gregory T. Thompson
